

Zone Policeman 88: A Close Range Study of the Panama Canal and Its Workers
Harry A. Franck (1881 - 1962)

Harry A. Franck was an American travel writer. After publishing *Vagabond Journey Around the World*, he spent 3 months in the Canal Zone of Panama as a census-taker and police officer. This work is a series of vignettes of the Panama Canal under construction, with plenty of color and dialect. NOTE: There are racial terms and attitudes expressed in this work that will be objectionable today. -- Summary by TriciaG
